

### **Spectrum to be Auctioned and the First Round Price**

The spectrum to be auctioned and the first round price depend on the spectrum available for auction as shown in the following table. The first round price will be the sum of the minimum price of the spectrum licensing according to clause 8(2) and (3) of the NBTC's Notification Regarding the Criteria and Procedures for the Licensing of Spectrum for Telecommunications Service in the Frequency Band of 1800 MHz and the bid in each round as specified in Section 6.4.1 of Auction rules.

In case of auctioning 2x30 MHz of spectrum, the spectrum to be auctioned and the first round price are as shown in table

In case there are more than two bidders:

| <b>Spectrum Lot</b> | <b>Frequency Band</b>               | <b>Minimum Price<br/>(Million Baht)</b> | <b>First Round Price<br/>(Million Baht)</b> |
|---------------------|-------------------------------------|---|---|
| Lot 1               | 1710 - 1725 MHz/<br>1805 - 1820 MHz | 15,912                                  | 16,708                                      |
| Lot 2               | 1725 - 1740 MHz/<br>1820 - 1835 MHz | 15,912                                  | 16,708                                      |

**Table 6.2** In case there are two bidders or fewer:

| <b>Spectrum Lot</b> | <b>Frequency Band</b>               | <b>Minimum Price<br/>(Million Baht)</b> | <b>First Round Price<br/>(Million Baht)</b> |
|---------------------|-------------------------------------|---|---|
| Lot 1               | 1710 - 1725 MHz/<br>1805 - 1820 MHz | 19,890                                  | 20,288                                      |
| Lot 2               | 1725 - 1740 MHz/<br>1820 - 1835 MHz | 19,890                                  | 20,288                                      |

In case of auctioning 2x25 MHz of spectrum, the spectrum to be auctioned and the first round price are as shown in table 6.3 and 6.4:

In case there are more than two bidders:

| <b>Spectrum Lot</b> | <b>Frequency Band</b> | <b>Minimum Price<br/>(Million Baht)</b> | <b>First Round Price<br/>(Million Baht)</b> |
|---------------------|-----------------------|---|---|
| Lot 1               | 1710 - 1725 MHz/      | 19,890                                  | 20,288                                      |

|       |                                     |        |        |
|-------|-------------------------------------|--------|--------|
|       | 1805 - 1820 MHz                     |        |        |
| Lot 2 | 1725 - 1740 MHz/<br>1820 - 1835 MHz | 19,890 | 20,288 |

In case there are two bidders of fewer:

| <b>Spectrum Lot</b> | <b>Frequency Band</b>                   | <b>Minimum Price<br/>(Million Baht)</b> | <b>First Round Price<br/>(Million Baht)</b> |
|---------------------|---|---|---|
| Lot 1               | 1710 - 1722.5 MHz/<br>1805 - 1817.5 MHz | 13,260                                  | 13,923                                      |
| Lot 2               | 1725 - 1760.5 MHz/<br>1820 - 1855.5 MHz | 13,260                                  | 13,923                                      |

In this regard, a bidder can place bid for only one lot in each round.
